Education

Université Constantine 2 | Constantine, Algeria

Bachelor of Science in Computer Science | Expected Graduation: 2026

- **Current Year:** 3rd Year
- **GPA:** 14.5 / 20
- **Relevant Coursework:**
 - Web Development (React, Node.js)
 - Database Management Systems (MySQL)
 - Data Structures & Algorithms
 - Object-Oriented Programming (Java)
 - Software Engineering
 - Computer Networks

High School Diploma (Baccalaureate) | ثانوية الإخوة بوراس - قسنطينة

Field: Experimental Sciences | Graduated: 2023

- **Grade:** 15.23 / 20
- **Honors:** Very Good / Mention "Very Good"

Professional Experience

Freelance Web Developer | Self-Employed

January 2025 - Present

- Developing [Stag.io](#), a full-stack internship management platform connecting students with companies
- Building responsive frontend using **React.js** with Tailwind CSS
- Implementing secure authentication and database integration
- Collaborating with team members on feature development

Academic Project: E-commerce Website | University Project

September 2024 - December 2024

- Developed a fully functional e-commerce prototype using **React** and **Context API**
- Integrated with Fake Store API for product data
- Implemented shopping cart functionality and product filtering
- Created responsive design for mobile and desktop users
- **Impact:** Received grade of 16/20 and positive feedback from professor

Team Project: Library Management System | University Project

March 2024 - June 2024

- Collaborated in a team of 4 to build a library management system
- Designed database schema using **MySQL** with 8 tables
- Built RESTful API with **Node.js** and **Express**
- Created admin dashboard for book and user management
- **Impact:** Successfully delivered project on time with all requirements met

Projects & Extracurricular

Stag.io Platform | Team Project

October 2025 - Present

- Contributing to full-stack internship management platform
- Technologies: **React, Node.js, Express, MySQL, Tailwind CSS**
- Features: User authentication, internship posting, application system
- GitHub repository with 15+ contributions

Tech Club Member | Université Constantine 2

October 2024 - Present

- Participate in weekly coding workshops and learning sessions
- Help organize tech events with 20+ attendees
- Learn new technologies and share knowledge with peers

CodeFest 2025 Participant | University Hackathon

November 2025

- Participated in 24-hour hackathon with team of 4 students
- Developed "**StudyBuddy**" - a collaborative learning platform prototype
- Built basic functionality using React and Firebase
- Gained experience in rapid prototyping and teamwork under pressure

Skills

Programming Languages

- ✓ JavaScript (Intermediate)
- ✓ HTML5/CSS3 (Intermediate)
- ✓ SQL (Basic)
- ✓ Java (Basic)

Frameworks & Libraries

text

- ✓ React.js (Intermediate)
- ✓ Node.js (Basic)
- ✓ Express.js (Basic)
- ✓ Tailwind CSS (Intermediate)
- ✓ Bootstrap (Basic)

Tools & Technologies

text

- ✓ Git & GitHub (Intermediate)
- ✓ VS Code (Advanced)
- ✓ MySQL (Basic)
- ✓ Figma (Basic)
- ✓ Microsoft Office Suite
- ✓ Canva

Soft Skills

text

- ✓ Problem Solving
- ✓ Team Collaboration
- ✓ Time Management
- ✓ Communication
- ✓ Adaptability
- ✓ Attention to Detail
- ✓ Self-learning
- ✓ Creativity

 Languages

Language	Proficiency	Details
Arabic	Native	Mother tongue
French	Intermediate (B1)	Reading, Writing, Speaking

English

Intermediate (B1)

Reading, Writing

Certifications & Courses

Course	Platform	Year
The Complete React Guide	Udemy	2025
JavaScript Algorithms & Data Structures	freeCodeCamp	2024
Responsive Web Design	freeCodeCamp	2024

Current Focus & Goals

Currently Learning:

- Advanced React concepts and hooks
- Database design and optimization
- RESTful API development

Future Goals (6-12 months):

- Complete [Stag.io](#) platform development
- Build personal portfolio website
- Contribute to open source projects
- Secure internship opportunity at tech company

Availability

Type	Status
Internship Type	Full-time / Part-time / Remote
Start Date	June 2026 / Flexible
Duration	1-3 months
Preferred Location	Constantine / Remote
Work Authorization	Algerian citizen
